

Challenge Exam

Students may test out of a course by taking a formal examination for credit, called a Challenge Examination. Challenge exams will not be granted for courses that students have enrolled in and failed. Students taking a Challenge Exam must be admitted to the Institute and complete the challenge examination form. Students do not need to be enrolled in a course in order to take the Challenge Exam. Challenge exams are set during the final day of the final examination period. The Challenge Exam may be a written, oral, performance-based or practical test, interview, or any combination of the above. A fee of \$75.00 per examination is charged.
