

# Contract of Study

The contract of study is an approved outlines of courses students are required to complete towards the completion of their degree/diploma/certificate. Students must complete all courses listed on the contract of study with a minimum cumulative GPA of 2.00. At the time of enrollment each student will be given a contract to follow. From time to time, programme requirements and contracts of study change; if a student has be to readmitted into the college they would be bound by the contract that is in affect at the time of their readmission.
