

# Auditing a Course

1. If a student wishes to enrol in a course outside of their degree they have the option of doing so by auditing the course. In order to be allowed to audit a course the student must apply using the audit form and be granted approval by the instructor teaching the course.
2. Students opting to audit a course are not required to fully participate in the course, that is submit assignments for grading or taking written examinations.
3. The Registrar's Office will automatically assign an "AU" grade to course(s) that have been audited. "AU" grades do not affect a student's cumulative grade point average.
4. Students who opt to audit a course cannot change their option once the class has begun.
5. Normal fees apply for audited courses.
